Choose our...

Light Cleaning Package –

If you want **Quick/ Light/ Spot cleaning**. Limited movement of items. Primarily horizontal surfaces. (See chart below for more details.)

Better Cleaning Package –

If you want **Better-Than-Industry-Standard cleaning**. With the Better Cleaning Package, you will have more surfaces of your home cleaned than what is considered the house cleaning industry standard. (See chart below for more details.)

Best Cleaning Package –

If you want **Better-Than-Industry-Standard cleaning PLUS Rotation Cleaning**.

With the **Best Cleaning Package** much more of your home is cleaned. And, over time, you will definitely notice the difference.

“Rotation Cleaning” simply means some areas of your home — requiring only periodic attention — are cleaned on a completely customizable, ongoing rotational basis.

Insides of window panes, ovens, refrigerators and kitchen cabinets, wet wiping (as opposed to dry dusting) baseboards and window sills are just some examples of areas requiring periodic cleaning.

Industry-standard cleaning totally neglects these areas.

Make changes to your list of rotational cleaning tasks any time you like. Over time, you will find a lot fewer areas of your home “fall through the cracks” cleaning-wise.

You decide which cleaning tasks make your rotational list and in what order. One rotation cleaning task will be done on each visit, starting with the second visit. (See chart below for more details.)

Our Rotation Cleaning System

Your home cleaner after 6 months than if you hire one of our competitors.

Keeps your home in tip top shape and saves you money.

Routine Tasks Provided Every Visit

- Dust open shelves, ceiling fans, air vents, baseboards, window sills, & mini-blinds.
- Clean mirrors, picture glass, inside sliding glass doors.
- Clean & shine bathroom tiles, tubs, shower doors, commodes, sink and countertops.
- Clean the top and front of the stove.
- Clean the top, front, and sides of the refrigerator.
- Clean the top and front of the dishwasher.
- Clean all kitchen countertops, sinks, small appliances, and microwave inside & out.
- Collect and dispose of trash.
- Damp mop all floors
- vacuum all of the carpeted areas.
- Change bed linens (if linens are left out for us).

Periodic Tasks Provided or Available

Periodic tasks are included for our **Best Cleaning Package** clients only.

First Visit: No periodic tasks are done. Extra time is spent cleaning your kitchen, bathrooms, and floors.

Second Visit: We start periodic tasks on our second visit. One periodic task is done each visit until we have completed all of your choices and then we start them all over again.

We keep a matrix of your periodic tasks on file to track them. You can choose all of them or just a few, depending on how often you want things done.

If you want more than 1 task done on a visit, we have pricing for any additional task.

- Wet wipe the inside of the refrigerator (you toss out what's bad).
- Wet wipe baseboards (– which takes 2 visits because it's a large job).
- Wet wipe door panels & frames.
- Wet wipe window sills.
- Empty fireplace.
- Lemon oiling or damp wiping the kitchen cabinets.
- Lemon oiling or damp wiping the bathroom cabinets.
- Vacuum one room of upholstered furniture
- Sweep patio or porch.
- Wet wiping outside furniture (maximum 6 pieces).
